

# Doctor Referral Program

*Together, We Can Make A Change.*

## WHY TO GET INVOLVED

MedicateOH is a non-profit organization that's spreading awareness about Ohio's medical marijuana program. Your practice can help us do our important patient advocacy and journalism by participating in our referral program. At no up-front cost to your practice, we can help you gain more patients while you support the cannabis community!

## HOW TO PARTICIPATE

It's easy to start getting more patient referrals today. Email us at [medicateOH@gmail.com](mailto:medicateOH@gmail.com). Tell us the amount you'd like to contribute for each referral we send to your practice (we suggest \$25-\$35). Include a logo or advertisement for your practice that we can use on our social media.
